Gulf - Magdalen - south

Vicinity Cabot Strait

Categories North Atlantic Right Whale

Description Effective 010400UTC OCT 2020 until 150400UTC NOV, in order to promote navigation safety and protection of the marine environment, due to the seasonal migration of North Atlantic right whales into the Gulf of St. Lawrence, a voluntary speed restriction, applicable to all vessels above 13m in length overall, has been established in the Cabot Strait bounded by:

48 10.5N 061 00W;

47 37.2N 059 18.5W;

47 02N 060 23.7W;

47 58.1N 061 03.5W;

48 00N 061 00W.

Vessels are requested to voluntarily restrict their speed to not exceed 10.0 knots over the ground.

Navigational Warnings (NAVWARNs) replace Notices to Shipping (NOTSHIPS) and shall be construed as Notices to Shipping

Mariners are requested to report all observations of entangled, dead, or injured whales to the nearest Marine Communications and Traffic Services Centre.

Position Centroid : 47° 37.167'N 060° 17.571'W
